Foreword

I take pleasure in releasing the 1962 Municipal Directory, the fifteenth Directory to be issued by the Department of Municipal Affairs.

The names and addresses of The Members of the Legislative Assembly along with the constituency represented are listed on pages vii to ix inclusive. The constituency in which a municipality is situate is indicated by a number in the name column which may be referred to the constituency code number shown at the top of the page of each County and District. On the inside cover a map of the Province in Counties and Districts will be found.

The municipalities that have enacted a by-law under The Municipal Franchise Extension Act are designated by the letter (f).

The population figures referred to herein are those gathered during the year by the assessors of each municipality, excluding the inmates of public institutions, and do not include the population of the unorganized areas of the Province.

The assessments for general purposes as shown in the Directory were taken during the year 1961 and returned to the Clerks of the municipalities in October of that year. This is the assessment upon which the 1962 municipal taxes will be levied. These figures are subject to adjustment due to appeals which may be before Courts of Revision and may not, therefore, in all cases, agree with assessments according to the audited financial statements.

The Police Villages of Ontario are shown on pages 101 to 104 inclusive. These have been compiled from returns made to the Department by the Townships in which they are located.

I wish to express the appreciation of the Department for the co-operation extended by Municipal Officials in making it possible to release this Directory at such an early date.
